

AGILE@SCALE ENTERPRISE

HOW TO CREATE A CONNECTED AGILE ORGANISATION - CERTIFIED SCRUM@SCALE COURSE

**ENHANCE
YOUR
BUSINESS
AGILITY WITH
UP TO 10X
BETTER
RESULTS**

Our world's fastest-moving organisations have recorded project and innovation execution speed increases of up to 10X through implementing Agile. Learn from practices these organisation have used to create greater autonomy, morale & performance.

WE HAVE DONE OK SO FAR

Enterprises have experienced tough times with COVID, supply chain disruptions, rising costs, overworked and distressed staff, high staff turnover, and lack of capability in the workplace. This has ultimately impacted customers and put pressure on teams exacerbating the situation. We are surviving!

WHAT IS TO COME

The challenge is the uncertainty we face moving forward. Things are not getting calmer. Like in nature it is the most adaptive, innovative organisations that will survive and thrive.

HOW THIS COURSE WILL HELP

Enhance customer and employee centricity and delight.

Align the whole organisation strategically & culturally. Adapt rapidly as required.

Rapid improvement and innovation at all levels or the organisation in a calm way.

Become certified with Jeff Sutherland's Agile Education Program.
